

The Empathic Investigation

How Empathy and Storytelling Dramatically Improve Workplace Investigations

Storytelling is the way to unlock empathy in any situation.

We will teach you how.

Understand the science behind verbal and nonverbal communication
to conduct more effective workplace investigations.

**We will advance your understanding
of the entire anatomy of an empathic
workplace investigation.**

Participants will learn the empathic approach
to planning, executing, documenting and
finalizing work related investigations.

The material will assist those brand-new
to workplace investigations as well as those
more experienced in the investigative process.
